FOUR O'CLOCK P. M.

DANIEL MANNING.

The Ex-Secretary of Treasury is Dying at His Home, in Albany, New York.

ALBANY, N. Y., Dec. 22.—10:20 a. m.—Mr. Manning continues to sink slowly and may survive until this afternoon, but hardly until night. He is conscious, when aroused, but for most of the time appears to be in a drowse.

Mr. Manning left New York a week ago with his wife and daughter. The cause of his visit to Albany was his failing health. He has not been a well man since accepting the presidency of the Western National bank. When he reached Albany he looked very badly—worse than at any time since he was stricken down. He went to the house of his son, James H. Manning. Mr. Manning was placed under the care of Dr. Henry Hunt. His condition grew worse until Sunday evening, when he had a slight attack of paralysis. It is the first since the original shock, in August, 1886. It alarmed the physician, who feared that the end was at hand.

Sudden Deaths.

MARION, Ind., Dec. 22.—John Wise, one of the oldest residents of this county, fell dead of heart disease while unloading corn. His age was seventy seven.

DECAUR, Dec. 22.—G. Henry Voglewede, sr,, one of Adams county's oldest and most prominent citizens, died at his residence, two miles and a half southwest of Decatur, very suddenly of heart disease. He was quite aged, and highly respected by all. He leaves a wife and eight grown children in good circumstances.

Canada's Temperance Laws.

KINGSTON, Ont., Dec. 22.—In many counties hereabouts hotel men who have suffered two convictions under the prohibition law are closing up their bars, fearing a third conviction, for which the penalty is imprisonment. The temperance people have insisted on the strict enforcement of the law, and the cabinet has acceded to their demands. In some places officers who strictly perform their duty under the law have to be guarded by special constables.

Foreign News.

LONDON, Dec. 22.—A warrant has been granted for the arrest of General Millen, the head of the Clan-na-Gael society, and Melville, formerly agent of the society in London, who are charged with being connected with the dynamite conspiracy, in which Callan and Harkins are alleged to have been concerned.

ST. PETERSBURG, Dec. 22.—It is semi-officially denied that Russia has informed the powers that the movements of Russian troops in Poland have ceased.

McGarigle's Abettors Discharged.

CHICAGO, Dec. 22.—The trial of Dr. St. John, Levi Dell and Captain Treer, indicted for conspiracy in aiding in the escape of Warden W. J. McGarigle, came to a sudden close at noon. The state's attorney acknowledged in open court that he had not evidence enough to convict them. Judge Collins ordered the jury to bring in a verdict of acquittal and the state nollied the other indictments against them.

The Pope's Jubilee.

ROME, Dec. 22.—All absent cardinals have been summoned to return to Rome before the first of January to take part in the pope's jubilee. Two hundred foreign bishops and many European legitimist aristocrats have given notice of their intention to visit Rome after Christmas to attend the celebration. The pope will receive, though in private, in good wishes of the Italian royal family.

The Fire Record.

NEW ORLEANS, Dec. 22.—A fire last night in Owen Germon's printing office and book bindery, on Camp street, caused a loss of $30,000. Partially covered by insurance.

Dangerous Customer.

The Collision of Two Locomotives in Ohio Causes a Wreck and Loss of Life.

CINCINNATI, Dec. 25.—This morning a collision occurred on the Cincinnati Northern railroad, now known as the Ohio and Northwestern road, at a point three and one-half miles beyond Idlewild station. The Montgomery accommodation, coming south, and the outgoing passenger train, going north, met at Bloody Run trestle and both engines were wrecked. Mrs. Procter, living at South Norwood, and Mrs, Ringold, were fatally injured. Engineer Edward Collins' ankle was broken by jumping from his locomotive, and Engineer George Glasgow had his leg broken in the same manner. Edward Sickey, a passenger, had his foot badly mashed.

THE BLIZZARD.

A Number of Lives Reported Lost in the Storm.

WASHINGTON, D.C., Dec. 22.—Indiana, warmer, fair weather.

LINCOLN, Neb., Dec. 22.—It is believed the reports of the blizzard sweeping over western Nebraska will show a number of lives lost in the storm. Owing to the distance from the railroad of the new and more unprotected homesteads and settlers, the facts cannot be known for several days. In the county of Perkins the death of a man and a boy are reported. Another man, named John Grant, who had been on the railroad construction work on the Black Hills extension of the Burlington and Missouri River road, was found dead a mile out from the camp.

Railroad Suits.

CINCINNATI, Dec. 22.—Judge Evans, of the court of common pleas, this morning refused to grant the motion to dissolve the injunction in the case of the Columbus, Hocking Valley and Toledo railroad company against Burke and others, holding that Burke and his associates, owning all the capital stock of the railway, and electing themselves directors, issuing mortgage bonds and using their proceeds to buy from themselves and others a mining corporation, were void. A notice of the bill of exceptions was given by Judge Burke.

ALBERT STENNER.

A Young Thief Succeeds In Landing Himself in Prison.

Officer Fuchshuber last night arrested Albert Stenner, a young man who has been drifting towards the prison as rapidly as his inclination could carry him.

He is charged with stealing two lanterns from a Pullman palace car, and one of them was found in his possession. He is also accused of stealing tools from the Bass foundry, and is suspected of being the highwayman who held up and robbed young Wm. Kappel, of the Bass shops, a week or so ago.

In the mayor's court, this morning, he said he was guilty and the prosecutor at once arraigned him before Judge O'Rourke.

The young man made all sorts of promises to reform and in view of the respectability of his family he got off with a jail sentence of thirty days.

STOPPED AGAIN.

The Confidence Men Arrested by Detective Norris Desire to Remain in the Hoosier State.

LOGANSPORT, Ind., Dec. 22.—The suit brought by George Hogle against Detective Norris to recover a portion of the reward for turning over two confidence men, Haines and Scribner, came up in the Cass circuit court this morning before Judge M. Winfield. After hearing the evidence the court released Norris. Farmer Ward and his attorney arrived yesterday afternoon and identified Haines and Scribner as the two men who succeeded in robbing him of $5,000 last month. The requisition papers having arrived, Norris left for Circleville, Ohio, with his prisoner, accompanied by Deputy Sheriff J. B Stanley.

MARION, Ind., Dec. 22.—John T. Norris, of Springfield, Ohio, who has in his custody Walter E. Haines and David Scribner, was served with a writ of habeas corpus by Sheriff Wilson here, last evening, while passing through the city on an east bound Padhandle train. The purpose of the writ is to prevent, if possible, the return of Haines and Scribner to Circleville, Ohio, where they are wanted to answer the charge of robbery.

The two prisoners were arrested at Logansport last Sunday night. They are a pair of confidence men who "work" every scheme known to the profession. The specific offense for which they are wanted is the fleecing of Sidney J. Ward, an old farmer residing near Circleville, out of $5,000 about two weeks ago. The old Louisiana lottery "racket" was the game worked. The prisoners have secured the best legal talent, and a determined fight will be made for their release.

THE Kingston (N. M.) *Shaft* says: "Gold is where you find it" has passed into an adage. Armstrong, the blacksmith, bought some Kansas ducks several months ago. The old lady had heard of gold being found in duck and chicken gizzards, and she had the curiosity to try the duck, and was rewarded by finding a little nugget of gold.

SHOT HIS RIVAL.

His Jealousy Causes the Enactment of a Fearful Tragedy Near Lynchburg, Va.

LYNCHBURG, Va., Dec. 22.—An *Advance* special from Scott county, says: "Napoleon A. Templeton was murdered yesterday by Geo. Adams, in the road near Estillville. Both were young men of the best families. Jealousy was the cause of the murder. Templeton married the girl that both were courting and Adams determined to have revenge. Meeting Templeton yesterday he took a revolver and without saying a word, he shot him between the eyes, killing him instantly. The murderer escaped.

Friends of the orphan asylum are generously remembering the children with an abundance of sweet things. Their store of candies is already so large that it will be wise and more acceptable to the good sisters, for those who thought of sending fruits and candies, to make the gift a different article—something of utility, as the luxuries are already more than sufficient.

Every can sold by this company contains something besides the tea, such as genuine diamond, emerald, ruby, sapphire and pearl jewelry in solid gold settings, and ladies' and gents' solid gold American watches and other articles of jewelry. This is certainly a novel way of advertising. Remember the number, 87 Calhoun street.

Letter From the Assistant Foreman of the Delivery Department—A Subject in Which Thousands are Deeply Interested,

About five years ago I suffered from painful urination and great pain and weakness in the lower part of my back, pain in the limbs, bad taste in the mouth, disgust at food, and great mental and bodily depression.

I live at 241 York street, Jersey City, and on arriving home one night I found a copy of the Shaker Almanac that had been left during the day. I read the article, "What is this Disease that is Coming Upon Us?" It described my symptoms and feeling better than I could if I had written a whole book. My trouble was indeed "like a thief in the night," for it had been stealing upon me unawares for years. I sent for a bottle of Shaker Extract of Roots, or Seigel's Syrup, and before I had taken one-half of it I felt the welcome relief. In a few weeks I was like my old self. I enjoyed and digested my food. My kidneys soon recovered tone and strength, and the urinary troubled vanished. I was well.

Millions of people need some medicine simply to act on the bowels. To them I commend Shaker Extract in the strongest possible terms. It is the gentlest, pleasantest, safest and surest purgative in this world. The most delicate women and children may take it. One point more; I have all the more confidence in this medicine because it is prepared by the Shakers. I may claim to be a religious man myself and I admire the Shakers for their zeal, consistency and strict business integrity. What they make may be trusted by the public, W. H. HALL.

THURSDAY, DEC. 22, 1887.

A HIGH tariff tax will not enrich the people who have to foot the bills.

WHEN you hear anyone talking about "free trade," simply tell him that he is a century ahead of that issue.

AN Indianapolis saloon keeper was found guilty of perjury, the other day, and sentenced to two years in the penitentiary. He had only sworn that he had sold no liquor on a certain Sunday, when four other reputable witnesses swore that he had sold the liquor. It is very evident that the Indianapolis officers propose to enforce the Sunday liquor laws.

MR. J. N. MCCULLOUGH, of Pittsburg, vice president of the Pennsylvania railroad, in an interview at Chicago, says that the president's message has not created that kind of a stir in Pennsylvania that the outside world seemed to imagine. Pennsylvanians believe in a protective tariff because of its great manufacturing interests, but Pennsylvanians also believe that the taxes ought to be reduced. "I think it can be done safely, and I have traveled over the country pretty extensively. I find that the sentiment is with President Cleveland because he has brought the issue squarely before the people."

THE Studebakers, of South Bend, did a phenomenal business this year, and almost doubled their wagon sales as compared with former years. Such confidence have they in the prosperity of the country that next spring they will erect a three-story addition to their works 80x400 feet. It will be recalled that on the eve of the last presidential election the Messrs. Studebaker predicted dire disaster to business if Mr. Cleveland was elected and went so far as to intimidate their men into voting for Mr. Blaine. It is a pleasure to note that the Messrs. Studebaker were mistaken in their views, because unexampled prosperity to them, and the business community generally, followed Mr. Cleveland's election.

AT THE conference of republicans at Indianapolis, last Tuesday evening, the committee on resolutions, after relieving themselves of the sentiments of their party on vital questions, proceeded to again suppress the late rebellion and denounce Mr. Lamar for views he once entertained in common with all his southern neighbors. These expressions occasion no unusual stir, because they are senseless and unbecoming; but THE SENTINEL desires to point out how much better it would be to court good feeling, sectional union, business alliances and consequent prosperity to all parts of the nation. The victors of the north can afford to be generous and chivalrous enough to overlook the past and encourage such a union of states and hearts as they risked their lives to retain. General Grant said: "Let us have peace;" Abraham Lincoln died "with malice toward none, charity for all," and James A. Garfield remarked: "The man who attempts to get up a political excitement in this country on the old sectional issue will find himself without a party and without support."

The Ladies' Relief union will receive donations to-morrow morning, between 10 and 12 o'clock, at their home, corner of Pritchard and West streets.

The State Bureau of Statistics has tabulated the reports from all the counties in the state, excepting thirty-four, which failed to report, on the number, nativity, sex and color of the people incarcerated in the county jails of the state during the past year. They show that 8,007 people were confined in the jails during the year, an average of 138 to each county, or 12,698 for the entire state. Of the number reported 7,315 were white males, 276 colored males, 263 white females, and 53 colored females; 830 were foreign born, 2,178 native born; 286 were wholly illiterate, and 1,469 able to read and write. The most of these were incarcerated for minor offenses. The following summary covers the principal crimes: Arson 20, bigamy 12, forgery 51, manslaughter 16, murder 68, perjury 9, rape 54.

Forty years ago, or less, there was but one style of architecture for residences, the "goods box," square and plain, or varied only by an occasional portico or an L at one end. Such a thing as breaking lines and making a variety of angles, or introducing curves or combinations of colors, was no more thought of than putting on domes or steeples. A street of new cottages, such as may be seen in dozens of different parts of the city, of the present fashion and this year's growth, would have been as attractive as a row of fences. Now, and for a good many years past, but especially within the last three years, the cottage residences of small proprietors are made as pretty as a picture or "a spotted dog" by a variety of decorations rather than forms and combinations or contrasts of color. The form of most of them is substantially the same, but it is such as easily allows of variety of finish and ornamentation, and it gives a light and airy effect to a block that makes the old-time square-fronted houses look ancient. The cottages of this year's work are especially to be noted for varied decorations and good effects of colors.

I have not used all of one bottle yet. I suffered from catarrh for twelve years, experiencing the nauseating dropping in the throat peculiar to that disease, and nose bleed almost daily. I tried various remedies without benefit until last April, when I saw Ely's Cream Balm advertised in the Boston Budget. I procured a bottle, and since the first days' use have had no more bleeding—the soreness is entirely gone.—D. G. Davidson, with the Boston Budget formerly with Boston Journal.

Wrong

To imagine that the treatment of Constipation consists merely in unloading the bowels. The medicine must not only act as a purgative, but be a tonic as well, and not produce after its use greater costiveness. This is what Simmons Liver Regulator always does.

"As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels."—W. J. McElroy, Macon, Ga.

Believe us, when we tell you that most of the despondent feeling (the blues) is the effect of a Torpid Liver, Indigestion, Weakness of Stomach, and Nervousness. A dose of Simmons Liver Regulator invariably relieves, cures and prevents a re-occurrence.

"I find Simmons Liver Regulator, very safe, harmless and valuable as a family medicine, and have used it for any disorder of the system and have found it to act like a charm, and I believe that if it was used in time, it wo[illegible] prove a great preventiv[illegible] sickness. I have often recommended it to my friends, and shall continue to do so."—Rev. James. M. Rollins, Fairfield, Va.

Simmons Liver Regulator is given with safety and with the happiest results, in almost any ailment, to the most delicate infant as well as to the adult. For all diseases in which a laxative, alterative, or purgative is needed, it will give the most perfect satisfaction. It is the cheapest, purest and best Family Medicine in the world.

Price $1. Sold by all Druggists. Prepared by J. H. Zeilin & Co., Philadelphia, Pa.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**

A VIGOROUS SEARCH

Was Made in the Haunts Where News Seemed to Be Hidden and This Is the Result.

The coal cars of the railroads are now all in use.

The train men say that last night was a hard one for their business.

The railroads will commence selling reduced rate tickets on Saturday.

Passenger train No. 8, on the Pittsburg, was two hours late last evening.

Railroad travel was comparatively light to-day for this season of the year.

Henry Hayes, a machinist in the Bass foundry, will spend Christmas at his old home in Richmond.

A new class "S" engine will be completed and sent out of the Pittsburg shops on the 26th of this month.

Frank Haynes, of the Bass moulding rooms, leaves for Portland on Saturday, to pass Christmas with his friends.

Jules Peraquay, a blacksmith in the Bass foundry, has been confined to his home with sickness for a few days.

The thieves have been trying to get in their work on the transfer house of the Pennsylvania and Wabash railroads.

Engineer Edward Fritz, of the Wabash, has gone to Austin, Texas, with his family, for the benefit of Mrs. Fritz's health.

Jas. A. Graham, the general superintendent of the Pittsburg car shops, has gone to Allegheny, Penn., to spend the holidays.

The limited on the Pittsburg was three hours late this morning. It resulted from some trouble on the eastern end of the line.

The cold weather drives the loungers into the waiting rooms at the depots and this morning the room at the Pittsburg was crowded with them.

Otto Benz, of the Bass works, had his hand injured yesterday afternoon, while unloading a load of iron, and will be kept from work for a dew days.

Enoch Cox, the storekeeper of the Pennsylvania company, has been on the sick list for a few days, but is able to be at his desk for a few hours each day.

Most of the railroad men and the employes of the manufacturing establishments have received their month's pay, and are ready for the enjoyment of Christmas.

J. M. McConnell, the passenger agent at the Wabash, has his hands full of business during the absence of his assistant. He anticipates a big holiday travel this year.

George Darker, the pleasant clerk at the Bass foundry and machine works, thought the thermometer was ten degrees below zero this morning, while he was on his way to the office.

The engineers and train men on the railroads cannot exercise too great a vigilence in the running of their trains during the winter months. Their business is a hard and dangerous one during the cold weather.

William Kappel, the young employe at the Bass works, who was attacked several nights ago by foot pads and robbed of his month's earnings was summoned from his work this morning to go down town and identfy the man whom the officers had arrested for the deed.

J. L. Miller, of Lafayette, formerly an engineer on the Wabash road, who has been running an engine for the last twenty one years, retired from service last week. In his experience he never met with an accident, and his trains always reached their destination on time. Mr. Miller attributes his good luck to the fact that he never took a drink of whisky, and does not use tobacco in any form.

A Chicago lover bet his girl that he could tell what she was thinking of. He thought she was thinking of him, but she wasn't; it was about Dr. Bull's Cough Syrup, which had just cured her of a dreadful cough.

Syrup of Figs.

Manufactured only by the California Fig Syrup Co., San Francisco, Cal., is Nature's own true laxative. This pleasant California liquid fruit remedy may be had of Theime and Gross, druggists, large bottles at fifty cents or one dollar. It is the most pleasant, prompt, and effective remedy known to cleanse the system; to act on the Liver, Kidneys, and bowels gently yet thoroughly; to dispel Headaches, Colds and Fevers; to cure Constipation, Indigestion, and kindred ills.

Holly,

Roses, Calla lillies, Carnations, Hyacinths, Begonias, Geraniums and Primroses, all in full bloom for the holidays, at the green houses, corner of East Wayne and Harmer streets.

IN IRONS.

A Polish Murderer is Caught After a Long Chase.

Mr. W. A. Nyce, under sheriff of Dutches county, N. Y., was in the city yesterday. He is the hero of a very clever piece of detective work:

John Wabania, a Polish Jew, was arrested at Waterloo, yesterday, for the murder of a companion named Anton Zabriskie and brought to this city. The murder was committed near Poughkeepsie, N. Y., some time last spring and the body of the victim was found on the 19th of last November in a well in a barn on the farm on which the two men, with another companion named "Mike," had worked. Suspicion pointed toward Wabania and he was traced by the officers to Waterloo, where he was arrested yesterday morning. He was taken before Judge O'Rourke yesterday afternoon, who passed upon the identification of the prison and the requisition papers of the officer and last night the captured murderer was taken to New York on the vestibule train.

RAILWAY SURGEONS.

Their National Convention May be Held in Fort Wayne.

Dr. C. B. Stemen returned this morning from St. Louis, where he attended the meeting of the Wabash railway surgeons. Next June a national convention of railway surgeons is to be held and Fort Wayne can have the distinguished assembly if any hotel inducements are offered.

Dr. Stemen is chairman of the committee on arrangements and will have a voice in naming the meeting place. The contest is between Fort Wayne and Chicago.

Rheumatism

Is undoubtedly caused by lactid acid in the blood. This acid attacks the fibrous tissues, and causes the pains and aches in the back, shoulders, knees, ankles, hips and wrists. Thousands of people have found in Hood's Sarsaparilla, a positive cure for rheumatism. This medicine, by its purifying action, neutralizes the acidity of the blood, and also builds up and strengthens the whole body.

The Babies Cry for It

And the old folks laugh when they find that the pleasant California liquid fruit remedy, Syrup of Figs, is more easily taken and more beneficial in its action than bitter, nauseous medicines. It strengthens the liver, kidneys, stomach, and bowels, while it arouses them to a healthy activity. For sale by Thieme & Gross.

THURSDAY, DEC. 22, 1887.

THE CITY NEWS.

Will Fleming went to Toledo this morning.

The Lottie Church company opens at the Academy of Music.

Mrs. B. A. Nixon, of Bellaire, Mich., is the guest of her cousin, Mrs. H. D. Hartsuff.

The street car company have added another car to their east and west line. It needs it.

The Huntington lime pool is to be dissolved January 1, and sharp competition is promised.

Warsaw is making, or about to make, an effort to rid the town of gambling and other dens of vice and iniquity.

The Huntington *Herald* says: "Mrs. August Koenig and children are visiting with Fort Wayne and Columbia City friends."

The Spanish Troubadours appear in the costume of their country and besides their native airs, play airs from popular English operas.

W. E. Skinner, of Cleveland, is in the city to assist the Adams and American express messengers in the rush. Mr. Skinner is an old newspaper man and was formerly on the Cleveland *Leader*.

The most effective illustration of "Human Nature" that can be imagined is that which will be delineated by Richard O. Gorman and his merry conferees at the Masonic Temple, Monday, December 26th.

The new street cars are not decorated with the signs of any business firms, as the old ones were, and the passengers' eyes can rest on nothing to interest him on the inside of the car but the notice over the paying box, "Put your fare in here."

The Royal Spanish Troubadours, assisted by Mr. Edward A. Hall, the celebrated artist and caricaturist, will render a program of excellent music, intermingled with sketches of the most prominent people, at the Temple to-morrow evening.

Col. Bob Ingersoll and the Rev. De-Witt Talmage recently witnessed a performance of "Human Nature" in Brooklyn. Both were infatuated with the entertainment and pronounced it the most effective moral instruction they had ever seen upon a stage.

James Longsdorf, a farmer living four miles east of Valparaiso, while walking home on the track of the Pittsburg railroad, was struck by a passenger train and so badly injured that he is thought to be dying to-day. He leaves a wife and several children in comfortable circumstances.

The Michigan City *Dispatch* says: "Our old friend, Eli W. Brown, of Columbia City, formerly editor of the *Post*, is prominently spoken of as a candidate for congress in the Twelfth district. Eli is a shrewd polictician and a man of ability, and if he has his eye on that congressional seat, the rest of the boys will have to hustle to beat him."

Christmas comes this year next Sunday, and special preparations for its observance, both in church and Sunday school, are being made by all the congregations. On Saturday THE SENTINEL will give considerable space to the program of exercises, and it requests that superintendents of Sunday schools, leaders of the various choirs and the pastors will communicate with this paper, by Friday if possible, the character of their respective observances, with program, etc. The list of music is also desirable, with names of persons rendering the same, and the pastors are requested to forward the subject upon which they will discourse that day. Where persons are designated, the given as well as christian names should be given in full.

Will it be a "white Christmas?"

The Nellie Free party went to Portland.

Mr. Al. Salinger, of Lafayette, is in the city.

The Lottie Church party are stopping at the Robinson.

The Spanish Troubadours play at Huntington to-night.

Allen county has thirty-four representatives in the prison north.

The county commissioners adjourned yesterday for the regular session.

Wm. Krohn, of Bloomingdale, is battling with a huge boil on his neck.

Rev. Father Campion has decided to erect an addition to his church at Logansport.

Daniel Komp sues Jesse Heaton on a note for $100. A. H. Bittinger is counsel for Mr. Komp.

Miss Clara Andrews and Miss Louise Greenwell, of Huntertown, are guests of Mrs. Cas Hunter.

Mrs. M. E. Darker has gone to Dayton to spend several weeks in visiting friends and relatives.

Mr. and Mrs. Jas. A. Graham and children have gone to Allegheny, Pa., to pass the holidays.

Some of the merchants of Columbia City are urging that an electric light plant be purchased for the town.

Harmon Netterfield, of Kingsland, a few miles south of this city, who over a year ago drew $15,0C0, won $500 in the last drawing of the Louisiana lottery.

A new Methodist church will be erected at Monroeville in the spring. John Sheahen, J. R. Parker, Geo. Brandeberry and Geo. Webster are the trustees.

The scheme of the Pennsylvania Railroad company for the establishment of an employes' savings institution, has been perfected. President Roberts has issued a circular to those in its service east of Pittsburg and Erie, setting forth the action of the board of directors, and outlining the regulations of the fund.

The electric light wire got in its work at Marion, Ind., Monday evening. A load of straw passing under one of the natural gas arches tore it down, and the electric light wire attached to the arch fell to the street. A valuable team driven along at the time stepped on the wire, and both horses were instantly killed.

Henry Miller, who killed Al. Painter, proprietor of the Windsor, at Toledo, and who was acquitted of the charge on the ground of insanity, was recently discharged from the insane asylum as cured. He has, however, been re-arrested and will again be tried for the offense. Miller formerly lived in Fort Wayne.

Miss Lottie Church, a popular young actress, commences a three nights' engagement at the Academy this evening. She comes well indorsed by the press, and the patrons of the Academy are promised a rich amusement treat for the balance of the week. She appears to-night in "Pa-pe-to," the laughing sensation of the day, followed by "Leah" and "The Dark Side of New York" on Friday and Saturday evenings.

The letter carriers report that for some time past they have found letters addressed to Santa Claus and Kris Kringle, in the mail boxes. They are written by the little children who credulously believe that Old Kris is not a myth, but a real, old shaggy-bearded fellow who dispenses Christmas presents to the sweet little applicants. The letters are stamped, but of course they can only find their way to the dead letter office. Don't forget the little ones, anyway, and make them merry.

The Proprietor of the Academy hotel, Baltimore, Md., Wm. Delphy, writes:—"My wife suffered most acutely from rheumatism, the terrible pain would seemingly yield to nothing. She was induced to try Salvation Oil and after using only half a bottle it not only relieved her, but effected an entire cure."

The regular meeting of the Relief union will be held next Tuesday instead of Monday, at 3:30 p. m., at their home.

Mr. and Mrs. Joseph Scholes, of West Jefferson street, will leave to-morrow for St. Joe, O., to spend the holidays with their parents.

The farmers are bringing large numbers of rabbits into the city, and it is evident they will play a conspicuous part in the Christmas dinner.

This inscription, written in a master penman's hand, is over a picture displayed in a show window on Harrison street: "To be Drawed on New Year's Day."

J LeDuke, Berea, Ohio; B. F. Fisher, Van Wert; J. D. Hanan, LaGrange; J. M. Somers, Waterloo; H. L. Hutson, Angola, and W. B. Mayer, Ada, Ohio, are guests at the Aveline house.

The newspapers of the state devote much space to the life of the late John Tigar and speak kindly of him and his characteristics. The Columbia City *Post* has this gossip about the well known typo: "About seven or eight years ago he worked in this office and at the same time a new boy held down the "devil's' tripod. This 'devil' was no exception to the general rule and was as full of questions as they usually are. One day he asked of no one in particular, 'can I divide second.' For a moment silence prevailed in the office and then Mr. Tagar replied, 'yes, but you must be d—n quick about it.'"

Two messages is the idea suggested. One from Washington and one from Paris. Take your choice. However, the important message is: Go to Meyer Bros. & Co., and buy your Christmas goods. Everything in the line below tide-water. 21-2t

FOUR O'CLOCK P. M.

DANIEL MANNING.

The Ex-Secretary of Treasury is Dying at His Home, in Albany, New York.

ALBANY, N. Y., Dec. 22.—10:20 a. m.—Mr. Manning continues to sink slowly and may survive until this afternoon, but hardly until night. He is conscious, when aroused, but for most of the time appears to be in a drowse.

Mr. Manning left New York a week ago with his wife and daughter. The cause of his visit to Albany was his failing health. He has not been a well man since accepting the presidency of the Western National bank. When he reached Albany he looked very badly—worse than at any time since he was stricken down. He went to the house of his son, James H. Manning. Mr. Manning was placed under the care of Dr. Henry Hunt. His condition grew worse until Sunday evening, when he had a slight attack of paralysis. It is the first since the original shock, in August, 1886. It alarmed the physician, who feared that the end was at hand.

Sudden Deaths.

MARION, Ind., Dec. 22.—John Wise, one of the oldest residents of this county, fell dead of heart disease while unloading corn. His age was seventy seven.

DECATUR, Dec. 22.—G. Henry Voglewede, sr., one of Adams county's oldest and most prominent citizens, died at his residence, two miles and a half southwest of Decatur, very suddenly of heart disease. He was quite aged, and highly respected by all. He leaves a wife and eight grown children in good circumstances.

Canada's Temperance Laws.

KINGSTON, Ont., Dec. 22.—In many counties hereabouts hotel men who have suffered two convictions under the prohibition law are closing up their bars, fearing a third conviction, for which the penalty is imprisonment. The temperance people have insisted on the strict enforcement of the law, and the cabinet has acceded to their demands. In some places officers who strictly perform their duty under the law have to be guarded by special constables.

Foreign News.

LONDON, Dec. 22.—A warrant has been granted for the arrest of General Millen, the head of the Clan-na-Gael society, and Melville, formerly agent of the society in London, who are charged with being connected with the dynamite conspiracy, in which Calian and Harkins are alleged to have been concerned.

ST. PETERSBURG, Dec. 22.—It is semi-officially denied that Russia has informed the powers that the movements of Russian troops in Poland have ceased.

McGarigle's Abettors Discharged.

CHICAGO, Dec. 22.—The trial of Dr. St. John, Levi Dell and Captain Treer, indicted for conspiracy in aiding in the escape of Warden W. J. McGarigle, came to a sudden close at noon. The state's attorney acknowledged in open court that he had not evidence enough to convict them. Judge Collins ordered the jury to bring in a verdict of acquittal and the state nollied the other indictments against them.

The Pope's Jubilee.

ROME, Dec. 22.—All absent cardinals have been summoned to return to Rome before the first of January to take part in the pope's jubilee. Two hundred foreign bishops and many European legitimist aristocrats have given notice of their intention to visit Rome after Christmas to attend the celebration. The pope will receive, though in private, in good wishes of the Italian royal family.

The Fire Record.

NEW ORLEANS, Dec. 22.—A fire last night in Owen Germon's printing office and book bindery, on Camp street, caused a loss of $30,000. Partially covered by insurance.

PITTSBURG, Dec. 22.—The total loss by fire to S. L. Fleischman & Co., milliners, and Yeager & Co., toys, was $200,000; insurance, $125,000. Three firemen were seriously injured.

Dangerous Customer.

NEW YORK, Dec. 22.—The owner of the big raft astray on the Atlantic ocean has sent a steamer in search it. Collector Magone to-day sent out the revenue steamer U. S. Grant to search for it and to warn vessels to look out for the dangerous customer.

Continental Life Insurance Company.

HARTFORD, Dec. 22.—In the Continental Life Insurance case to-day the counsel for the stockholders abandoned their defense and consented to the decree of receivership. Judge Carpenter will appoint a receiver to-morrow.

Lee Arraigned.

CHICAGO, Dec. 22.—W. R. Lee, who shot his stepfather, Bank President Stephen W. Rawson, was arraigned in Judge Williamson's court yesterday and pleaded not guilty to assault with intent to kill. Lee was remanded in $10,000 bail.

Sullivan Planks Down the Cash.

LONDON, Dec. 22.—The *Sportsman* announces that it has received $2,500 from John L. Sullivan to bind him in the match with either Smith or Kilrain, or both.

FATAL WRECK!

The Collision of Two Locomotives in Ohio Causes a Wreck and Loss of Life.

CINCINNATI, Dec. 25.—This morning a collision occurred on the Cincinnati Northern railroad, now known as the Ohio and Northwestern road, at a point three and one-half miles beyond Idlewild station. The Montgomery accommodation, coming south, and the outgoing passenger train, going north, met at Bloody Run trestle and both engines were wrecked. Mrs. Procter living at South Norwood, and Mrs. Ringold, were fatally injured. Engineer Edward Collins' ankle was broken by jumping from his locomotive, and Engineer George Glasgow had his leg broken in the same manner. Edward Sickey, a passenger, had his foot badly mashed.

THE BLIZZARD.

A Number of Lives Reported Lost in the Storm.

WASHINGTON, D.C., Dec. 22.—Indiana, warmer, fair weather.

LINCOLN, Neb., Dec. 22.—It is believed the reports of the blizzard sweeping over western Nebraska will show a number of lives lost in the storm. Owing to the distance from the railroad of the new and more unprotected homesteads and settlers, the facts cannot be known for several days. In the county of Perkins the death of a man and a boy are reported. Another man, named John Grant, who had been on the railroad construction work on the Black Hills extension of the Burlington and Missouri River road, was found dead a mile out from the camp.

Railroad Suits.

CINCINNATI, Dec. 22.—Judge Evans, of the court of common pleas, this morning refused to grant the motion to dissolve the injunction in the case of the Columbus, Hocking Valley and Toledo railroad company against Burke and others, holding that Burke and his associates, owning all the capital stock of the railway, and electing themselves directors, issuing mortgage bonds and using their proceeds to buy from themselves and others a mining corporation, were void. A notice of the bill of exceptions was given by Judge Burke.

Boy Scalded to Death.

UNION CITY, Ind., Dec., 22.—Willie Hapner, age six years, son of Wm. P. Hapner, living on the Ohio side of the town, fell into a steaming vat at Hook Bros.' butter factory, last evening, and before he could be rescued he was so badly scalded that he died at 3 o'clock this morning. He was literally scalded alive.

ALBERT STENNER.

A Young Thief Succeeds in Landing Himself in Prison.

Officer Fuchshuber last night arrested Albert Stenner, a young man who has been drifting towards the prison as rapidly as his inclination could carry him.

He is charged with stealing two lanterns from a Pullman palace car, and one of them was found in his possession. He is also accused of stealing tools from the Bass foundry, and is suspected of being the highwayman who held up and robbed young Wm. Kappel, of the Bass shops, a week or so ago.

In the mayor's court, this morning, he said he was guilty and the prosecutor at once arraigned him before Judge O'Rourke.

The young man made all sorts of promises to reform and in view of the respectability of his family he got off with a jail sentence of thirty days.

STOPPED AGAIN.

The Confidence Men Arrested by Detective Norris Desire to Remain in the Hoosier State.

LOGANSPORT, Ind., Dec. 22.—The suit brought by George Hogle against Detective Norris to recover a portion of the reward for turning over two confidence men, Haines and Scribner, came up in the Cass circuit court this morning before Judge M. Winfield. After hearing the evidence the court released Norris. Farmer Ward and his attorney arrived yesterday afternoon and identified Haines and Scribner as the two men who succeeded in robbing him of $5,000 last month. The requisition papers having arrived, Norris left for Circleville, Ohio, with his prisoner, accompanied by Deputy Sheriff J. B. Stanley.

MARION, Ind., Dec. 22.—John T. Norris, of Springfield, Ohio, who has in his custody Walter E. Haines and David Scribner, was served with a writ of habeas corpus by Sheriff Wilson here, last evening, while passing through the city on an east bound Padhandle train. The purpose of the writ is to prevent, if possible, the return of Haines and Scribner to Circleville, Ohio, where they are wanted to answer the charge of robbery.

The two prisoners were arrested at Logansport last Sunday night. They are a pair of confidence men who "work" every scheme known to the profession. The specific offense for which they are wanted is the fleecing of Sidney J. Ward, an old farmer residing near Circleville, out of $5,000 about two weeks ago. The old Louisiana lottery "racket" was the game worked. The prisoners have secured the best legal talent, and a determined fight will be made for their release.

Meeting Templeton yesterday he took a revolver and without saying a word. he shot him between the eyes, killing him instantly. The murderer escaped.

Letter From the Assistant Foreman of the Delivery Department—A Subject in Which Thousands are Deeply Interested.

About five years ago I suffered from painful urination and great pain and weakness in the lower part of my back, pain in the limbs, bad taste in the mouth, disgust at food, and great mental and bodily depression.

I live at 21 York street, Jersey City, and on arriving home one night I found a copy of the Shaker Almanac that had been left during the day. I read the article, "What is this Disease that is Coming Upon Us?" It described my symptoms and feeling better than I could if I had written a whole book. My trouble was indeed "like a thief in the night," for it had been stealing upon me unawares for years. I sent for a bottle of Shaker Extract of Roots or Seigel's Syrup, and before I had taken one-half of it I felt the welcome relief. In a few weeks I was like my old self. I enjoyed and digested my food. My kidneys soon recovered tone and strength, and the urinary trouble vanished. I was well.

Millions of people need some medicine simply to act on the bowels. To them I commend Shaker Extract in the strongest possible terms. It is the gentlest, pleasantest, safest and surest purgative in this world. The most delicate women and children may take it. One point more: I have all the more confidence in this medicine because it is prepared by the Shakers. I am [illegible] a religious man myself and I admire the Shakers for their zeal, consistency and strict business integrity. What they make may be trusted by the public. W. H. HALL.

A HIGH tariff tax will not enrich the people who have to foot the bills.

WHEN you hear anyone talking about "free trade," simply tell him that he is a century ahead of that issue.

AN Indianapolis saloon keeper was found guilty of perjury, the other day, and sentenced to two years in the penitentiary. He had only sworn that he had sold no liquor on a certain Sunday, when four other reputable witnesses swore that he had sold the liquor. It is very evident that the Indianapolis officers propose to enforce the Sunday liquor laws.

MR. J. N. MCCULLOUGH, of Pittsburg, vice president of the Pennsylvania railroad, in an interview at Chicago, says that the president's message has not created that kind of a stir in Pennsylvania that the outside world seemed to imagine. Pennsylvanians believe in a protective tariff because of its great manufacturing interests, but Pennsylvanians also believe that the taxes ought to be reduced. "I think it can be done safely, and I have traveled over the country pretty extensively. I find that the sentiment is with President Cleveland because he has brought the issue squarely before the people."

THE Studebakers, of South Bend, did a phenomenal business this year, and almost doubled their wagon sales as compared with former years. Such confidence have they in the prosperity of the country that next spring they will erect a three-story addition to their works 80x400 feet. It will be recalled that on the eve of the last presidential election the Messrs. Studebaker predicted dire disaster to business if Mr. Cleveland was elected and went so far as to intimidate their men into voting for Mr. Blaine. It is a pleasure to note that the Messrs. Studebaker were mistaken in their views, because unexampled prosperity to them, and the business community generally, followed Mr. Cleveland's election.

AT THE conference of republicans at Indianapolis, last Tuesday evening, the committee on resolutions, after relieving themselves of the sentiments of their party on vital questions, proceeded to again suppress the late rebellion and denounce Mr. Lamar for views he once entertained in common with all his southern neighbors. These expressions occasion no unusual stir, because they are senseless and unbecoming; but THE SENTINEL desires to point out how much better it would be to court good feeling, sectional union, business alliances and consequent prosperity to all parts of the nation. The victors of the north can afford to be generous and chivalrous enough to overlook the past and encourage such a union of states and hearts as they risked their lives to retain. General Grant said: "Let us have peace;" Abraham Lincoln died "with malice toward none, charity for all," and James A. Garfield remarked: "The man who attempts to get up a political excitement in this country on the old sectional issue will find himself without a party and without support."

The State Bureau of Statistics has tabulated the reports from all the counties in the state, excepting thirty-four, which failed to report, on the number, nativity, sex and color of the people incarcerated in the county jails of the state during the past year. They show that 8,007 people were confined in the jails during the year, an average of 139 to each county, or 12,698 for the entire state. Of the number reported 7,315 were white males, 276 colored males, 263 white females, and 53 colored females; 830 were foreign born, 2,178 native born; 286 were wholly illiterate, and 1,469 able to read and write. The most of these were incarcerated for minor offenses. The following summary covers the principal crimes: Arson 20, bigamy 12, forgery 51, manslaughter 16, murder 68, perjury 9, rape 54.

Forty years ago, or less, there was but one style of architecture for residences, the "goods box," square and plain, or varied only by an occasional portico or an L at one end. Such a thing as breaking lines and making a variety of angles, or introducing curves or combinations of colors, was no more thought of than putting on domes or steeples. A street of new cottages, such as may be seen in dozens of different parts of the city, of the present fashion and this year's growth, would have been as attractive as a row of fences. Now, and for a good many years past, but especially within the last three years, the cottage residences of small proprietors are made as pretty as a picture or "a spotted dog" by a variety of decorations rather than forms and combinations or contrasts of color. The form of most of them is substantially the same, but it is such as easily allows of variety of finish and ornamentation, and it gives a light and airy effect to a block that makes the old-time square-fronted houses look ancient. The cottages of this year's work are especially to be noted for varied decorations and good effects of colors.

Meyers, machinist paid $1 for a can of tea and a gent's solid gold hunting case, full jeweled, Elgin watch; Mrs. Thomas Doyle, 227 Madison street, found a genuine diamond ring in her can; Stephen Morris, attorney-at-law, got one of the same kind.

I have not used all of one bottle yet. I suffered from catarrh for twelve years, experiencing the nauseating dropping in the throat peculiar to that disease, and nose bleed almost daily. I tried various remedies without benefit until last April, when I saw Ely's Cream Balm advertised in the Boston Budget. I procured a bottle, and since the first days' use have had no more bleeding—the soreness is entirely gone.—D. G. Davidson, with the Boston Budget formerly with Boston Journal.

Wrong

To imagine that the treatment of Constipation consists merely in unloading the bowels. The medicine must not only act as a purgative, but be a tonic as well, and not produce after its use greater costiveness. This is what Simmons Liver Regulator always does.

"As a general family remedy for Dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels."—W. J. McELROY, Macon, Ga.

Believe us, when we tell you that most of the despondent feeling (the blues) is the effect of a Torpid Liver, Indigestion, Weakness of Stomach, and Nervousness. A dose of Simmons Liver Regulator invariably relieves, cures and prevents a re-occurrence.

"I find Simmons Liver Regulator, very safe, harmless and valuable as a family medicine, and have used it for any disorder of the system and have found it to act like a charm, and I believe that if it was used in time, it would prove a great preventive of sickness. I have often recommended it to my friends, and shall continue to do so."—Rev. JAMES M. ROLLINS, Fairfield, Va.

Simmons Liver Regulator is given with safety and with the happiest results, in almost any ailment, to the most delicate infant as well as to the adult. For all diseases in which a laxative, alterative, or purgative is needed, it will give the most perfect satisfaction. It is the cheapest, purest and best Family Medicine in the world.

Price $1. Sold by all Druggists. Prepared by J. H. ZEILIN & Co. Philadelphia, Pa.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder disease. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**

A VIGOROUS SEARCH

Was Made in the Haunts Where News Seemed to Be Hidden and This Is the Result.

The coal cars of the railroads are now all in use.

The train men say that last night was a hard one for their business.

The railroads will commence selling reduced rate tickets on Saturday.

Passenger train No. 8, on the Pittsburg, was two hours late last evening.

Railroad travel was comparatively light to-day for this season of the year.

Henry Hayes, a machinist in the Bass foundry, will spend Christmas at his old home in Richmond.

A new class "S" engine will be completed and sent out of the Pittsburg shops on the 26th of this month.

Frank Haynes, of the Bass moulding rooms, leaves for Portland on Saturday, to pass Christmas with his friends.

Jules Peraquay, a blacksmith in the Bass foundry, has been confined to his home with sickness for a few days.

The thieves have been trying to get in their work on the transfer house of the Pennsylvania and Wabash railroads.

Engineer Edward Fritz, of the Wabash, has gone to Austin, Texas, with his family, for the benefit of Mrs. Fritz's health.

Jas. A. Graham, the general superintendent of the Pittsburg car shops, has gone to Allegheny, Penn., to spend the holidays.

The limited on the Pittsburg was three hours late this morning. It resulted from some trouble on the eastern end of the line.

The cold weather drives the loungers into the waiting rooms at the depots and this morning the room at the Pittsburg was crowded with them.

Otto Benz, of the Bass works, had his hand injured yesterday afternoon, while unloading a load of iron, and will be kept from work for a dew days.

Enoch Cox, the storekeeper of the Pennsylvania company, has been on the sick list for a few days, but is able to be at his desk for a few hours each day.

Most of the railroad men and the employes of the manufacturing establishments have received their month's pay, and are ready for the enjoyment of Christmas.

J. M. McConnell, the passenger agent at the Wabash, has his hands full of business during the absence of his assistant. He anticipates a big holiday travel this year.

George Darker, the pleasant clerk at the Bass foundry and machine works, thought the thermometer was ten degrees below zero this morning, while he was on his way to the office.

The engineers and train men on the railroads cannot exercise too great a vigilence in the running of their trains during the winter months. Their business is a hard and dangerous one during the cold weather.

William Kappel, the young employe at the Bass works, who was attacked several nights ago by foot pads and robbed of his month's earnings was summoned from his work this morning to go down town and identify the man whom the officers had arrested for the deed.

J. L. Miller, of Lafayette, formerly an engineer on the Wabash road, who has been running an engine for the last twenty one years, retired from service last week. In his experience he never met with an accident, and his trains always reached their destination on time. Mr. Miller attributes his good luck to the fact that he never took a drink of whisky, and does not use tobacco in any form.

A Chicago lover bet his girl that he could tell what she was thinking of. He thought she was thinking of him, but she wasn't; it was about Dr. Bull's Cough Syrup, which had just cured her of a dreadful cough.

Syrup of Figs,

Manufactured only by the California Fig Syrup Co., San Francisco, Cal., is Nature's own true laxative. This pleasant California liquid fruit remedy may be had of Theime and Gross, druggists, large bottles at fifty cents or one dollar. It is the most pleasant, prompt, and effective remedy known to cleanse the system; to act on the Liver, Kidneys, and bowels gently yet thoroughly; to dispel Headaches, Colds and Fevers; to cure Constipation, Indigestion, and kindred ills.

Holly,

Roses, Calla lillies, Carnations, Hyacinths, Begonias, Geraniums and Primroses, all in full bloom for the holidays, at the green houses, corner of East Wayne and Harmer streets.

19-6t FRANK J. KUECHT, Florist.

Reduced rates for the holidays over the Wabash railway. One fare for the round trip between all stations. Tickets will be sold December 24th, 25th and 26th, December 31st and January 1st and 2d, good going on date of sale, and good to return up to and including January 3d, 1888. IN IRONS.

A Polish Murderer Is Caught After a Long Chase.

Mr. W. A. Nyce, under sheriff of Dutches county, N. Y., was in the city yesterday. He is the hero of a very clever piece of detective work:

John Wabania, a Polish Jew, was arrested at Waterloo, yesterday, for the murder of a companion named Anton Zabriskie and brought to this city. The murder was committed near Poughkeepsie, N. Y., some time last spring and the body of the victim was found on the 19th of last November in a well in a barn on the farm on which the two men, with another companion named "Mike," had worked. Suspicion pointed toward Wabania and he was traced by the officers to Waterloo, where he was arrested yesterday morning. He was taken before Judge O'Rourke yesterday afternoon, who passed upon the identification of the prison and the requisition papers of the officer and last night the captured murderer was taken to New York on the vestibule train.

RAILWAY SURGEONS.

Their National Convention May be Held in Fort Wayne.

Dr. C. B. Stemen returned this morning from St. Louis, where he attended the meeting of the Wabash railway surgeons. Next June a national convention of railway surgeons is to be held and Fort Wayne can have the distinguished assembly if any hotel inducements are offered.

Dr. Stemen is chairman of the committee on arrangements and will have a voice in naming the meeting place. The contest is between Fort Wayne and Chicago.

Rheumatism

Is undoubtedly caused by lactid acid in the blood. This acid attacks the fibrous tissues, and causes the pains and aches in the back, shoulders, knees, ankles, hips and wrists. Thousands of people have found in Hood's Sarsaparilla, a positive cure for rheumatism. This medicine, by its purifying action, neutralizes the acidity of the blood, and also builds up and strengthens the whole body.

The Babies Cry for It

And the old folks laugh when they find that the pleasant California liquid fruit remedy, Syrup of Figs, is more easily taken and more beneficial in its action than bitter, nauseous medicines. It strengthens the liver, kidneys, stomach, and bowels, while it arouses them to a healthy activity. For sale by Thieme & Gross.

THE CITY NEWS.

Will Fleming went to Toledo this morning.

The Lottie Church company open at the Academy of Music.

Mrs. B. A. Nixon, of Bellaire, Mich., is the guest of her cousin, Mrs. H. D. Hartsuff.

The street car company have added another car to their east and west line. It needs it.

The Huntington lime pool is to be dissolved January 1, and sharp competition is promised.

Warsaw is making, or about to make, an effort to rid the town of gambling and other dens of vice and iniquity.

The Huntington *Herald* says: "Mrs. August Koenig and children are visiting with Fort Wayne and Columbia City friends."

The Spanish Troubadours appear in the costume of their country and besides their native airs, play airs from popular English operas.

W. E. Skinner, of Cleveland, is in the city to assist the Adams and American express messengers in the rush. Mr. Skinner is an old newspaper man and was formerly on the Cleveland *Leader*.

The most effective illustration of "Human Nature" that can be imagined is that which will be delineated by Richard O. Gorman and his merry conferees at the Masonic Temple, Monday, December 26th.

The new street cars are not decorated with the signs of any business firms, as the old ones were, and the passengers' eyes can rest on nothing to interest him on the inside of the car but the notice over the paying box, "Put your fare in here."

The Royal Spanish Troubadours, assisted by Mr. Edward A. Hall, the celebrated artist and caricaturist, will render a program of excellent music, intermingled with sketches of the most prominent people, at the Temple to-morrow evening.

Col. Bob Ingersoll and the Rev. De-Witt Talmage recently witnessed a performance of "Human Nature" in Brooklyn. Both were infatuated with the entertainment and pronounced it the most effective moral instruction they had ever seen upon a stage.

The Michigan City *Dispatch* says: "Our old friend, Eli W. Brown, of Columbia City, formerly editor of the *Post*, is prominently spoken of as a candidate for congress in the Twelfth district. Eli is a shrewd polictician and a man of ability, and if he has his eye on that congressional seat, the rest of the boys will have to hustle to beat him."

Christmas comes this year next Sunday, and special preparations for its observance, both in church and Sunday school, are being made by all the congregations. On Saturday THE SENTINEL will give considerable space to the program of exercises, and it requests that superintendents of Sunday schools, leaders of the various choirs and the pastors will communicate with this paper, by Friday if possible, the character of their respective observances, with program, etc. The list of music is also desirable, with names of persons rendering the same, and the pastors are requested to forward the subject upon which they will discourse that day. Where persons are designated, the given as well as christian names should be given in full.

The letter carriers report that for some time past they have found letters addressed to Santa Claus and Kris Kringle, in the mail boxes. They are written by the little children who credulously believe that Old Kris is not a myth, but a real, old shaggy-bearded fellow who dispenses Christmas presents to the sweet little applicants. The letters are stamped, but of course they can only find their way to the dead letter office. Don't forget the little ones, anyway, and make them merry.

The Columbia City *Post* has this gossip about the well known typo: "About seven or eight years ago he worked in this office and at the same time a new boy held down the "devil's' tripod. This 'devil' was no exception to the general rule and was as full of questions as they usually are. One day he asked of no one in particular, 'can I divide second.' For a moment silence prevailed in the office and then Mr. Tagar replied, 'yes, but you must be d—n quick about it.'"
